

ALL HE WANTED TO DO WAS DANCE

Footloose is based on the iconic coming-of-age movie from the 80s and developed into a full blown stage musical. It has classic 80s songs like Let's Hear it for the Boy, Holding Out for a Hero and of course Footloose. It is an uplifting story of teenage rebellion overcoming the fears and misconception of the older generation.

When free-spirited Ren moves from Chicago to a conservative hick town in the Midwest, he discovers that wide open spaces sometimes come with very narrow minds. The repressive local minister, Reverend Moore, has convinced the town to ban dancing and rock 'n' roll music. Complications arise when Ren falls in love with Reverend Moore's strong-willed daughter, Ariel. Together they start to stand up for their beliefs and revitalise the spirits of the town, winning over the hearts and souls of the whole community in an effort to make dancing legal again.
