

(Please choose to read either Outlaw 1 or Outlaw 2.)

**Merry Men/Maidens**

**Audition Piece**

- Outlaw 1** Hey, did you hear the reward for your capture has gone up by a thousand since your Great Haywain Robbery down at the Old Mill? Nice one Robin, cheers!
- Outlaw 2** I didn't know you'd been so busy?
- Robin** But that wasn't me!
- Outlaw 1** What?
- Robin** The robbery, the donations; I didn't do any of them.
- Outlaw 2** Well if you didn't, who did?
- Outlaw 1** I've just found this nailed to a tree. It's a tree mail...
- Outlaw 2** Let me see. *(Reads.)* The Nottingham Fair Archery Competition. Calling to all Archers and Bowmen throughout Nottingham to enter. The winner shall claim the prize of a 100 gold crowns and the prestigious Golden Arrow Trophy.
- Robin** Well I care not for trophies, though we could melt down that golden arrow. But those 100 crowns wouldn't go amiss.
- Outlaw 1** And the title to be hailed as Champion Marksman of all Nottingham?
- Outlaw 2** You better get some practice in Robin, they'll be queueing around Nottingham for a shot at that prize!
- Outlaw 1** Here, exactly how much is a crown?
- Outlaw 2** About 50p
- Outlaw 1** 50p? That's not much!
- Outlaw 2** It's enough to buy you a 4-bed detached house in the 12<sup>th</sup> century.
- Outlaw 1** How do you know that?
- Outlaw 2** I saw it on Location Location Location...

*(And don't forget to cluck like a chicken!)*
