

## The Hills Are Alive

When a postulant proves too high-spirited for the religious life, she is dispatched to serve as governess for the seven children of a widowed naval Captain. Her growing rapport with the youngsters, coupled with her generosity of spirit, gradually captures the heart of the stern Captain, and they marry. Upon their return from honeymoon however, the Captain's immediate service in the navy is demanded by the post Anschluss Nazi

government. The family's narrow escape over the mountains to Switzerland on the eve of World War II provides one of the most thrilling and inspirational finales ever presented in the theatre. The motion picture version remains the most popular movie musical of all time.
